REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

TSMHS continues to work toward the development of our students in the area of academics, citizenship, and service to the community and school. We focus not only on student graduation but also toward the development of self-confident learners who will be successful beyond their high school years.

With one key to success being graduation, TSMHS achieved an 82.4% graduation rate which is the highest in six years and the second highest in the School District of Oconee County. Students are encouraged throughout high school to be part of the extracurricular program and a career exploratory program focused on careers in health science, mechatronics, and engineering as well as many others. Faculty members work to provide engaging classrooms where technology is utilized to prepare students to become thinkers and innovators prepared for college, technical school, military or a vocational career beyond high school. Student work is constantly reviewed to identify those needing to participate in an academic program for assistance utilizing APEX online courses. Students have the opportunity to participate in an accelerated program through the SC Virtual School Program. Our Service Learning Students along with athletes and coaches have participated in service projects at a local children’s home and other venues to give back while learning about servant leadership.

The SIC, faculty and staff of TSMHS extend a thank you to all who volunteer and give selflessly to work with students and athletic teams as well as our parents and students for their diligent work in representing TSMHS.

Steve M.R. Moore, Principal

Kim Alexander, SIC Chair for 2012-2014
